ABOUT US

MJ Fashions started its journey from **2015** with some Japanese customers. It is a sister concern of Moririn Company Ltd. handling all the apparel sourcing activity in Bangladesh. The owner **Mr. Jashim Uddin** is one of the giant in import and export business in Bangladesh. He is having a tremendous experience in paper and garments accessories import for around 35 Years.

MJ Fashions is mainly a buying agent and supporting today Japan, Korea, Canada market. Recently, **MJ Fashions** is spreading in Europe to support the buyers to source their required product from Bangladesh like apparel, heavy stitched product, leather goods etc.. They have a strong network with many garments and other factories who has good compliance and many other certifications like SEDEX, BSCI, OEKO-TEX, BCI, OCS, RCS, GOTS, (ISO) 9001, WRAP, REACH, LEED etc.

MJ Fashions is very much concern about environment and health of the human. Before nominating any supplier, they are doing internal assessment first. So, their customers are very confident with the nomination process. However, **MJ Fashions** believe in partnership and long term business. They are working today with a good number of factories like Natural Knit, Synthetic knit, Woven - Denim, twill, sweater, leather, bag factories etc.

With the help of its excellent team MJ Fashions manages to ship successfully around **25M Pcs** in last six years with a Turn Over of **\$200M**. The organization is financially strong and capable of investing in future to make its own production unit.

MJ Fashions - *Supporting you to grow your business!*

MESSAGE FROM THE CEO

We believe in partnership, long term business relation and customer service.

MJ Fashions is successfully operating inside and outside of the country. Our continuous improvement mindset, open to any changes and customer service are separating us from the market. Our willingness to support the customer to grow in their business is unique.
